

## Dental Implants Our Fees

Arnica offers a FREE initial discussion to enable patients to discuss their individual circumstances with Dr Ledger prior to any further outlay.

Our fees reflect excellent value for money; we never compromise on quality and standards and only use materials and components from the world's leading dental implant technology suppliers.

### Covid-19 safety tariff

Non-aerosol procedures	£7
Aerosol-generating procedures	£25

### Detailed Implant assessment

Initial discussion	FREE
Initial consultation	£95
Implant diagnostics including extended oral examination, x-rays, study models, and preparation of detailed treatment plan	£190
Cone Beam CT Scan (Using our brand new CT Scanner)	£295

### Dental implants

Implant fixture	£1,600
Custom abutments, either titanium or zirconium, and all ceramic or porcelain-bonded crowns	£1,400
Total cost for a single tooth implant	£3,000

Dr Ellie Ledger (Principal Dentist)

## Affordable finance

Don't let finance prevent you from enjoying the benefits of a beautiful natural smile. Spread the cost with our interest-free and interest-bearing finance options on treatments between £1,000 and £50,000.

### Benefits to you of our affordable finance options:

- Make treatment instantly affordable by allowing you to spread the cost
- Greater choice of treatments so you can choose the one perfect for you
- Payment terms that are best suited to your financial circumstances
- No upfront deposit option so you can avoid dipping into your savings or having to find a lump sum to start your treatment.
- Makes treatment more affordable by allowing you to spread the cost

**For more information about our interest-free and interest-bearing finance options please phone 01242 65554 and speak to one of our receptionists.**

(Please note that finance should not be taken out before your treatment plan has been finalised/signed off by your dentist.)
