

Dental Implants Our Fees

Arnica offers a FREE initial discussion to enable patients to discuss their individual circumstances with Dr Ledger prior to any further outlay.

Our fees reflect excellent value for money; we never compromise on quality and standards and only use materials and components from the world's leading dental implant technology suppliers.

Affordable finance

Don't let finance prevent you from enjoying the benefits of a beautiful natural smile. Spread the cost with our interest-free and interest-bearing finance options on treatments between £500 and £50,000.

Benefits to you of our affordable finance options:

- Make treatment instantly affordable by allowing you to spread the cost
- Greater choice of treatments so you can choose the one perfect for you
- Payment terms that are best suited to your financial circumstances
- No upfront deposit option so you can avoid dipping into your savings or having to find a lump sum to start your treatment.
- Makes treatment more affordable by allowing you to spread the cost

For more information about our interest-free and interest-bearing finance options please phone 01242 65554 and speak to one of our receptionists.

(Please note that finance should not be taken out before your treatment plan has been finalised/signed off by your dentist.)
